Welcome to EKC2019

EKC2019

EUROPE-KOREA CONFERENCE ON SCIENCE AND TECHNOLOGY

The EU-Korea Conference on Science and Technology (EKC) brings together engineers and scientists from nine European countries as well as Korea to discuss recent progress and future trends in Science and Technology.

EKC2019 is the 12th EU Korea Conference on Science and Technology, held from July 15 to 18, 2019 in Vienna, Austria. The topic of the EKC2019 is "Advancement and Sustainability". At this conference we would like to think about the role of the science and technology for the good of humanity.

To participate EKC2019 event this year, please create an account. Then, you are able to make EKC Registration and even also submit your abstract and more.
