

EKCC 2020

13TH EUROPE-KOREA CONFERENCE ON SCIENCE AND TECHNOLOGY

SUSTAINABLE FUTURE

22-25 July 2020

Science Congress Center Munich, Technical University of Munich
Munich, Germany

Europe-Korea Conference on Science and technology (EKC) is the premier conference for Korean and European scientists and engineers to present their recent achievements. Special emphasis is given to develop friendship and to exchange useful knowledge and bright ideas for the promotion of science and technology in service of the society. It covers full range of science and technology, e.g., Physics, Mathematics, Chemistry, Materials, Biology and Life Science, Earth and Environment, Energy, Information and Communications Technology, Architecture, and Science policies.

EKC 2020, the 13th EKC, will be held in Munich in Germany from 22nd to 25th July 2020. It will be hosted by the Korean Scientists and Engineers Association in Germany (VeKNI) together with the Korean Federation of Science and Technology Societies (KOFST) and the other eight Korean Scientists and Engineers Associations in Europe that are in the UK (KOSEAUK), France (ASCoF), Austria (KOSEAA), Finland (KOSES), Scandinavia (KSSEA), the Netherlands (KOSEANL), Switzerland (KSEAS) and Belgium (KOSEabe).

Schedule (tentative):

21st July: Site visit

22nd July: Complementary Programme (Industry forum, Europe-Korea institute matching, Next generation forum, Special programme)

23rd July: Opening ceremony (Plenary), Science and Technology sessions

24th July: Science and Technology sessions, Closing ceremony (Plenary)

25th July: Complementary Programmes (Special programme)

Important dates:

31 Dec. 2019: 1st deadline for Session proposal

12 Jan. 2020: Deadline for Session proposal
